

Fighting for our schools!

Citywide strategy meeting

Saturday January 30 at 10am

If your school is on the list to be closed, turnaround, or consolidated **you can stop it.** Over the years many school communities have come together and stopped Renaissance 2010 policies that are destroying our communities.

Join us if you want to...

Connect with schools throughout the city .

Learn how others have fought to keep their school open.

Learn about why your school is closing..

Workshop contents include:

- Recruiting parents, teachers and community members to join the fight
- Organizing a protest
- Getting media coverage
- Learn how to talk about why you're school should not be closed
- How to use the public hearings and board meeting to save your school
